Otherwise, this is too weird.

About what I told you yesterday, I'm serious about it. So don't forget it, okay?
Once something good happens, something bad will always follow.
My peaceful and righteous life is collapsing all because of this person.
You shouldn't run in the hallways.
run
run
run
!!
This is just my imagination!!
run

runs
runs
I'm just walking fast.
You shouldn't run either!
runs
You don't have to run away.
Do you hate me?
runs
That's not it.
runs
AAAAAAAAHH!
My taste in girls?
I don't think it's bad.
I just think that you have bad taste in girls.
runs
runs

Bad things are definietly going to happen!!
run

It's just my imagination. It's just my imagination. It's just my imagination.
I can see it.
Good morning.
……

Good morning, Aoi.
Good morning, Ginga.
Ah!
STARE
So you and Aoi have become friends, huh?
Hey.
I'm sorry for just being in the same class as him!
Have we already become friends?
.....
GLARE

...You.
Ehh-- that's too much.
..N- no...
Aaahh, I'm sorry!
But honestly, I'm actually really happy that he's cold to me!!
I- I already have plans to go with other people.
We could go together and then become friends.
Don't worry about him.
Next period is music class so we have to change classrooms.

You two can go together.
What are you saying? I'm not going with you.
With the student sitting in front of me, Moriya-san.
...with who?
Did you hear everything she said?
Ahiru
Just give up and go with me.

Let's go to music class together~!
With Satomi-kun too!
Ahiru?
Ah, yeah...
That was her nickname from back in middle school~
.....
We'll do a walking race.
It's almost time, we should go now.
Walking race?!

WOOSH
Phew.
thump
I finally got rid of him.
rattles
sways
It's fine to sit next to you, right?
Hm? Aren't we allowed to sit wherever?
W-why?

EEE
EEEEEE
EHHH--?
No, no, no, don't freak out. It's just a coincidence that the seat next to me was free.
This is just a coincidence. The world is not going to end. It's going to be fine.
What is he folding?
Folding paper?
Does it bother you?
skift

It's a dinosaur.
...Incredible.
---No, this is already past the level that incredible can describe.
It's so incredible, the word incredible isn't even enough.
Initially, I just wanted to make my siblings happy, but eventually it turned into a hobby
This is already past the point of making people happy!!
Why couldn't you just fold little dogs or bears or something?!

Aahh, but it's still really amazing.
How does one even fold this?
Do you have any siblings, Mahiru?
Eh?
...Ah,
I have a younger sister.
You do seem like an older sister type.
Really?
...So close.
When did this happen?

It's a dinosaur shaped bento.
Do you want to see? Let's have lunch together.
retreat
retreat
retreat
Because I have so many siblings, my bento is also supposed to make people happy.
Is it realistic?! Is it cutesy?! Exactly which kind of bento is it?!
But I actually kind of do want to see it.
This person really likes dinosaurs.
Eating lunch.
Together.
shake
shake
.....

I'm more suited to eating alone anyways.
It's better if you eat with all the other beautiful popular students at your level.
Forget about it
Ah I-I-I'm afraid of having other people see my bento.
Really? How disappointing.
So next time let's eat together.
I promise I won't look at your bento.

open
clap
Thank you for the food.
The difference between his bentos and my family's bentos is huge.
chew
chew
chew
Satomi-kun's mother must definitely be a really cute person.
Ah, but if the bento has realistic dinosaurs, then I'm not really sure what to think anymore
I still haven't found the ring.

It's sensei and Moriya-san.
Hm?
Bad things always happen to you, huh?
How could you lose something as important as a ring?
A ring...
A ring... hm...
So she can show that sort of expression too.

Yanase.
Why are you eating lunch here?
Sensei, I'm going to eat lunch together with this person.
Hm?
Okay.
step
step
step
step
.....
step

Eh? Hear what?
Did you hear every-thing?
That man? Keep my mouth shut? Sounds like a drill instructor.
Forget it. In any case, you better keep your mouth shut about me and that man being together.
I'll be watching you from now on.

Why?!
Why did I have to see that kind of thing?
Excuse me.
It's really weird.
Why are you just sitting here eating lunch by yourself?
.....
So weird...
If this is going to be my daily life then I don't mind being watched.
It feels like I'm being purified.
Ahh... but she scolds really well.
So,
what happened between you and that handsome guy?

He seemed really genuine.
Imagining huh... He's really pitiful.
Huh?
T-that... you're just imagining it.
Moriya-san, what were you talking about with Sensei earlier?
Even if you say that... I don't really understand what's going on.
.....

...Please forget about it... You were just imagining things.
What is this restless feeling in my chest?
Hm?
Huh?

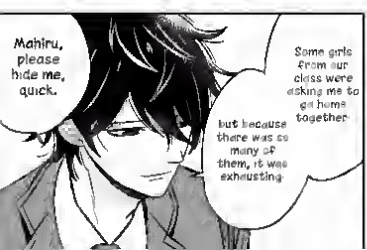
Let's go back together.
That's great!

I hope that I'll be able to make it back home without anymore problems.
Anyway, today was also filled with youthful moments.

It's Mahiru.

Eh?
thump
Let me join you in running away.
thump
thump

Still running away as usual.
RETREAT

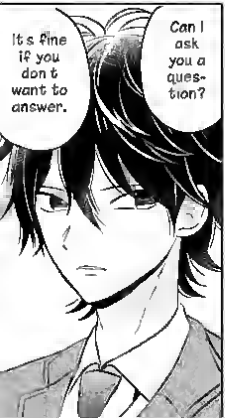


Mahiru, please hide me, quick.
Some girls from our class were asking me to go home together
but because there was so many of them, it was exhausting

W-w-wait I didn't say I would help you!!
Yeah, this is helping someone out.
You want me to hide you?
Ah, I see.
Good. Let's stop by the bakery on the way back.
Eh?
.....

How weird.
I came here again.
What do I do? It's like this has become a normal thing now.
Isn't this kind of like a date?!
If it's like that, this is definitely really troublesome.
Today, I'll buy this, this, and this.
You're really buying a lot.
To give to your siblings?
Mhmm, as their snack.
Because they're all small ones.

Seems like it's really lively.
It's too lively sometimes, I'm always worried about who's going to be the next one to get hurt.
.....
Next time, do you want to come over and meet them?
I won't go.
But here, have this.
It's an amulet for traffic safety.
Because I have a lot.
You're giving this to me?
Yeah.
Thank you. It's shaped like a car, huh? How interesting.



I should get some for Mayu too...

Earlier, why were you called Ahiru?
That...
Ah, he remembered what happened in the classroom.
Because you're cute?

No, that's not it.
Why--!
It's because back when I was in the play The Ugly Duckling, I tried to become a swan and jumped in out of nowhere, so originally being called Ahiru was just people making fun of me!!
So then, what I said earlier about you being cute was right.
Ahiru trying her best must've been very cute.
I see.

Why?
Why?
Always...
This person...

He keeps saying these things as if the world was ending.

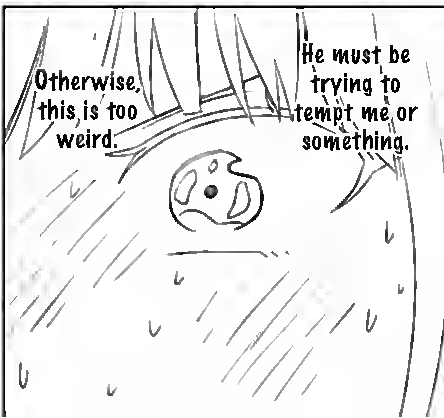
I'm not crying because I'm sad, so it's fine.

Why? Did
her meet
somewhere?
That's
good. I
was really
worried.
...For my
sister?
That's
right,
this is for
your little
sister.

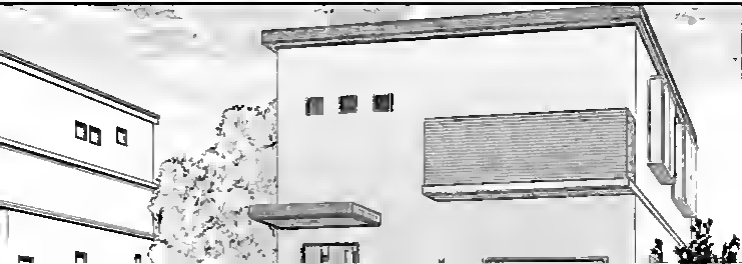
Because my younger sister really likes origami, I thought that yours would too.
……
You know, my younger sister is the same grade as me.
Huh?
So it's like that, I'm sorry.
Then this is really childish, huh?
Those are completely not childish at all!!!!
……
Thanks.
It'll make her really happy.

I like you.
Mahiru.

Or else the world would end.



Or else I'll end up crying again.



I'm home.
Welcome back!
Excuse my intrusion.
Ah, this is my boyfriend.
Nice to meet you.
Nice to meet you too.
That's great.
I bought some bread, so you two can eat together.
Wah, it's bread!! It looks really delicious!
Thank you, onee-chan!
He's so handsome.
It is Mayu's boyfriend after all.
He's probably a good person on the inside too.

stare
At least it'll be good for the guy since Mayu is a nice girl.
Even though you guys are twins, you don't look alike at all.
...Although,
I already know that,
I'm really sorry for not being cute at all.

This is made for Mayu.
But earlier... that person said I was cute
...Although... It's just my imagination
For your little sister.

But
this
was given
to me, so...

What that person said...
Al-though
It's just my imagi-nation...
But...
I'm reeeeeee-ally just imagining things.
Yeah...
It's the end of the world...
